Please note: This in no way commits you to involvement in the roll out of NHI. It is an expression of interest only which should be followed by the detail proposal. The guide for the proposal will be provided upon your submission of this application. A technical team will visit your premises to evaluate certain elements such as qualification of professional staff, adequacy of the facility and availability of basic equipment for the provision of services.

A printed copy of the form is to be submitted in a sealed envelope at the NHI office located at #1 Lily St. Belmopan no later than **4:00 pm** on the **4th September 2026**. Any submission after the stipulated date and time will not be received. Upon the submission of the form, ensure to log the delivery in to a logbook that will be available at the NHI office.
